BRISTOL BAY TEK QUESTIONS.4.1.11[1].doc

Tami and Linda,  
Here are documents related to the cultural part of the Bristol Bay Assessment. This is just for your review for now. We will get another draft from the investigators for distribution and feedback from the tribes once we have provided feedback. It would be good to hear from you sooner rather than later but I know you are busy.

Hello Jenny,  
Here are the questions and the narrative that provides some essential background information. It may be helpful to read the narrative first. The questions are still a draft, subject to change and improvements. We would be glad to hear from the economic team about any questions

they would like to add. Please let me know when you receive this email whether you are able to open both attachments, and if you need anything else at this time. You can reach me at this email address, or at the college on Friday after 8:30a.m. Alaska time at (907)235-1674. Thank you for your help.

Best wishes,  
Catherine
